

January 20, 2026: Letter to Senator John Cornyn

Senator Cornyn,

I have written to your office on numerous occasions and have zero confidence in you or your Republican Party's ability to help our country to navigate this terrible time in our nation's history.

Your party is proving itself to be hopelessly entangled with an evil force emanating from inside of the United States government and is simply of no use to the normal citizens of America.

However, it remains my solemn duty, as a citizen of this fallen God-forsaken nation, to continue to send letters of notice and application for assistance to our deadbeat political representatives.

Seriously, I have absolutely no confidence in the American government to help assist with the ongoing criminal conspiracy that Donald Trump is waging over my personal life, but this is the only legal means that I have of defending my home, so your office shall receive the latest letter of notice and request.

DONALD TRUMP IS OPERATING A VERY LARGE CRIMINAL SPYING NETWORK THAT IS BEING USED TO TARGET AND SUPPRESS HIS POLITICAL TARGETS!

THE UNITED STATES NATIONAL SECURITY ADMINISTRATION IS FACILITATING AN ONGOING CRIMINAL ENTERPRISE BEING RUN FROM THE OFFICE OF THE PRESIDENT OF THE UNITED STATES OF AMERICA.

THEIR TEAM IS SPYING ON EVERY ASPECT OF OUR LIFE AND THEN OPERATING A REAL-TIME ACOUSTIC BOMBARDMENT CAMPAIGN TO DISRUPT OUR PROGRESS AND DESTROY THE DAILY PEACEFUL USE OF OUR PRIVATE PROPERTY!

YOU ARE THE ONLY LINE OF DEFENSE THAT WE, THE PEOPLE, HAVE FROM THE ONGOING ABUSE COMING FROM OUR OWN GOVERNMENT.

As I have already clearly indicated, I have no belief at all that you have the courage to do what is right to hold your party's leader accountable, but this is the farce of a political routine that I must engage in to continue to exert my own rights to live without agitation and disruption in my life.

Get fucked, losers. We hate you all. You have let us all down and have facilitated and raised a living, breathing, demon over our life and we are all suffering because of it.

Kindest regards,

Chris Noel Carlin
